**Dear Athletes, Coaches, Distinguished
Guests, and Friends of Shooting Sports,**

It is my great pleasure and honour to welcome you to the 32nd Traditional 10 m Shooting Competition – ISSF Grand Prix Ruše 2026, an event that for many years has represented an important sporting and social occasion not only for our local community, but also for the Slovenian and international shooting community.

The competition is held in celebration of the Municipality Day of Ruše and in remembrance of the last battle of the 1st Pohorje Battalion at Osankarica, a powerful symbol of courage, sacrifice, and national pride. This historical legacy gives our event a special meaning and reminds us of the values we strive to uphold through sport.

The 2026 edition will be organised in a slightly modified format, designed to further enrich the event and bring it closer to a wider shooting audience. The ISSF Grand Prix competitions will take place on Friday, 16 January 2026, and Sunday, 18 January 2026, while Saturday will be dedicated to a new event introduced for the first time – the 1st Pohorje Battalion Cup.

The Saturday competition will be open-entry, allowing participation by a larger number of domestic and Slovenian athletes. In this way, we aim to strengthen inclusiveness, development, and the promotion of shooting sports at the national level.

The significance of this year's event is further underlined by its international media coverage. All finals will be broadcast live on Šport TV and via social media platforms, with the signal also available to all member federations of the International Shooting Sport Federation (ISSF), reaffirming the status and reputation of the competition on the global stage.

I would like to express my sincere gratitude to everyone whose dedication, support, and participation contribute to the successful organisation of this important event. I am confident that the competition days will unfold in the spirit of fair play, respect, and sporting excellence.

I wish all participants successful competitions, a pleasant stay in Ruše, and many outstanding sporting achievements.

Ljubo Germič
President of the Organizing Committee
ISSF Grand Prix 10m Ruše 2026

Dear competitors, dear guests and friends of shooting sports,

the Municipality of Ruše proudly welcomes all participants and visitors to the ISSF Grand Prix 2026. This international competition, which has been taking place in our town for many years, confirms that Ruše is a place of knowledge, discipline and openness to the world.

This event combines elite sportsmanship with years of organizational expertise and the exceptional dedication of many individuals. Coaches, judges, volunteers and competitors, with their work, enable athletes from all over the world to return to our community. It is the people who give this competition its true value.

The ISSF Grand Prix is an opportunity to measure sports skills at the highest level, but also a place of respect, concentration and sportsmanship. In times when connection, trust, and cooperation are more important than ever, sport once again proves its power as a universal language.

I would like to thank the Shooting Association of the 1st Pohorje Battalion and all participants who, with professionalism and responsibility, ensure the safe, high-quality and successful implementation of the competition. I wish the competitors a steady hand, a clear focus and great satisfaction with their results. To our visitors, I wish a pleasant experience in our municipality. May this year's ISSF Grand Prix in Ruše once again leave a legacy of great stories, sporting achievements, and beautiful memories.

All the best.
Bullseye!

Urška Repolusk
Mayor of the Municipality of Ruše

Dear shooters and shooting enthusiasts,

At the Ministry of Defence and within the Slovenian Armed Forces, we place great value on sport; in fact, sport is closely intertwined with our everyday activities. Shooting is one of the disciplines most closely connected to the military profession. Slovenians are passionate about sport, and we approach the organization of sporting events at all levels with great enthusiasm. We are particularly proud of the Sports Unit of the Slovenian Armed Forces, which

employs top Slovenian athletes, including elite shooters.

The traditional shooting competition organized by the Shooting Society I. Pohorski Bataljon Ruše has gained international recognition and earned a strong reputation both in Slovenia and worldwide. This sporting event embodies a noble sporting spirit, healthy competitiveness, and friendship among people of different nationalities, while at the same time preserving the memory of Slovenia's courageous partisan past, reflected in the name of your association.

For this reason, we feel a responsibility to actively contribute, together with the Slovenian Shooting Association, to the development of shooting sports in Slovenia. We are pleased to support the successful organization of this major international shooting competition in our country.

Dear members of the Shooting Society I. Pohorski Battalion Ruše,

You are outstanding ambassadors of your region and of the Republic of Slovenia to the world. You have successfully organized a sporting event of an exceptionally high international standard, which is important both for the promotion of shooting sports and for the international promotion of our country, Slovenia. I sincerely congratulate you and appreciate all the effort you have invested in organizing this competition.

To all competitors, I wish you excellent focus and precision in your shooting, and, of course, great sporting success.

May the best competitor win!
